(57) **CLAIM**

The ornamental design for a bean bag having a pocket with a snap button as shown.

**DESCRIPTION**

FIG. 1 is a front perspective view of my new design for a bean bag having a pocket with a snap button having stitched side seams, seamless top and bottom ends, a visible stitched seam proximate to the top of the pocket, and having a snap button located centrally between the two side seams, proximate and beneath the stitched seam;

FIG. 2 is a front view thereof;

FIG. 3 is a rear view thereof;

FIG. 4 is a right side view thereof;

FIG. 5 is a left side view thereof;

FIG. 6 is a top view thereof; and,

FIG. 7 is a bottom view thereof.

The contour lines in FIGS. 1, 6, and 7 illustrate a seamless transition across the top and bottom as between the front and back form part of the claimed design.

The evenly dashed broken lines on the pocket of the design depict a stitched seam of the bean bag having a pocket with a snap button that form part of the claim.

The area bounded within the short-broken lines on the snap button forms no part of the claimed design.

The logo “f”, in FIGS. 1, 2 and 7, not forming part of the claimed design is a registered trademark No. 4404671, of “Tooth Fairy design. Inc.” which is the assignee of the instant application.

**1 Claim, 7 Drawing Sheets**
