Claim

The ornamental design for an adjustable length retractor/distractor blade, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an adjustable length retractor/distractor blade showing our new design, the broken line showing of the tubular guides for a light pipe and fixation screws are for illustrative purposes only and forms no part of the claimed design.

FIG. 2 is a front elevational view thereof;
FIG. 3 is a left side elevational view thereof, the right side elevational view being a mirror image thereto.
FIG. 4 is a rear elevational view thereof.
FIG. 5 is top plan view thereof; and,
FIG. 6 is a bottom plan view thereof.
