UNITED STATES PATENT OFFICE.

AMOS A. FENN, OF LEAVENWORTH, KANSAS.

DESIGN FOR A COLUMN.

SPECIFICATION forming part of Design No. 23,678, dated October 2, 1894.

Application filed August 25, 1894. Serial No. 521,344. Term of patent 7 years.

To all whom it may concern:

Be it known that I, AMOS A. FENN, a citizen of the United States, residing and doing business at Leavenworth, in the county of Leavenworth and State of Kansas, have invented and produced a new and original Design for a Column, of which the following is a specification.

Reference is to be had to the accompanying drawing, forming a part of this specification, in which the figure represents a perspective view of a column embodying my new design.

The leading feature of my design consists in a column having angular form, plane ends and having intermediate said ends, on the several faces, the ornamental configuration shown.

I claim—

The design for a column herein shown and described.

AMOS A. FENN.
