US D479,836 S

United States Design Patent

Inventors: Brian Thornton, Tinley Park, IL (US);
Christian J. Kululjan, Chicago, IL (US);
William C. Cesaroni, Glenview, IL (US)

Assignee: Shure Incorporated, Evanston, IL (US)

Notice: This patent is subject to a terminal disclaimer.

Term: 14 Years

Appl. No.: 29/153,778

Filed: Jan. 11, 2002

LOC (7) Cl. .......................................................... 14-01

U.S. Cl. ............................................................ D14/228

Description

Claim

The ornamental design for a vocal microphone (PG58 and PG48), as shown and described.

FIG. 1 is a perspective view of the microphone design;
FIG. 2 is a front view thereof;
FIG. 3 is a top view thereof;
FIG. 4 is a side view thereof;
FIG. 5 is a rear view thereof; and,
FIG. 6 is a bottom view thereof.
