**CLAIM**

The ornamental design for an agricultural stake with irrigation holes, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevation view of the agricultural stake with irrigation holes showing the location and spacing of irrigation holes along the stake and truncated into two parts side-by-side for ease and completeness of illustration.

FIG. 2 is a rear elevation view of the agricultural stake with irrigation holes showing the location and spacing of irrigation holes along the stake and truncated into two parts side-by-side for ease and completeness of illustration.

FIG. 3 is a side elevation view of the lower portion of either side of the agricultural stake with irrigation holes showing the location and spacing of irrigation holes along the side of the stake.

FIG. 4 is a plan view of the TOP of the agricultural stake with irrigation holes.

FIG. 5 is a plan view of the BOTTOM of the agricultural stake with irrigation holes; and

FIG. 6 is an isometric elevation view of the agricultural stake with irrigation holes.

The broken line showing of the agricultural stake with irrigation holes is included for the purpose of showing portions of the article and form no part of the claimed design.
