(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface showing our new design; and, FIG. 2 is a front view of a display screen or portion thereof with graphical user interface showing our new design shown with additional example environment.

The outermost dashed broken lines in the FIGS. illustrate a display screen or portion thereof. The remaining broken lines illustrate portions of the graphical user interface. None of the broken lines form part of the claimed design.

1 Claim, 2 Drawing Sheets
