REMOTE CONTROL UNIT FOR AN AUTOMATIC PHONOGRAPH

Melvin H. Boldt, Glenview, Ill., assignor to Canteen Corporation, Chicago, Ill., a corporation of Delaware

Filed Sept. 30, 1965, Ser. No. 87,239

Term of patent 14 years

(El. D26—13)
FIG. 1 is a front and top perspective view of a remote control unit for an automatic phonograph, showing my new design;

FIG. 2 is a left side elevational view, the right side being substantially in mirror image thereof; and

FIG. 3 is a front elevational view thereof.

The rear and bottom, not shown are essentially unornamented. The dominant features of my new design reside in the portions shown in full lines. Portions of the drawing figures are diagonally lined to indicate transparency.

The drawing figures are stippled to indicate contrast in appearance.

I claim:

The ornamental design for a remote control unit for an automatic phonograph, substantially as shown and described.
