I do not claim the use of the reading matter here exhibited but propose to vary the same as occasion may require or dispense with reading matter entirely. The invention relates to the picture only, which picture may be used either with or without any suitable reading matter.

Having thus described my invention, what I claim as new and desire to secure by Letters Patent is.

The design herein represented, as a trade mark or label for packages of Tobacco.

In testimony of which invention I hereunto set my hand.
