See application file for complete search history.

DESCRIPTION

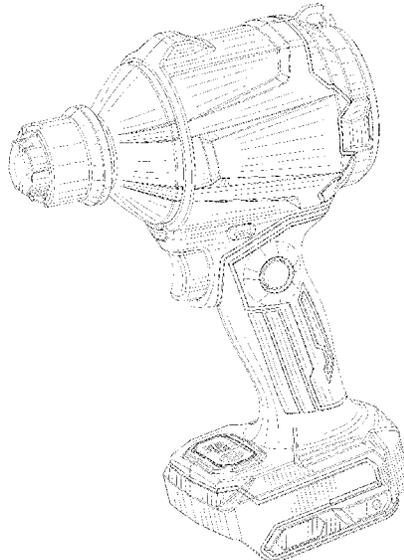

FIG. 1 is a front, left and top perspective view of an air duster body showing our new design;
FIG. 2 is a rear, right and top perspective view thereof;
FIG. 3 is a front elevational view thereof;
FIG. 4 is a rear elevational view thereof;
FIG. 5 is a top plan view thereof;
FIG. 6 is a bottom plan view thereof;
FIG. 7 is a left side elevational view thereof;
FIG. 8 is a right side elevational view thereof; and,
FIG. 9 is a front, left and top perspective view of the air duster body in accordance with our new design illustrating a state in which environmental structures (a battery and a nozzle) are attached to the air duster body.
The broken lines in the drawings illustrate the environmental structures or portions of the air duster body which form no part of the claimed design.
