CLAIM

The ornamental design for the exterior surface design of a pair of automobile doors, as shown and described.

DESCRIPTION

FIG. 1 is a side view of my exterior surface design of a pair of an automobile's doors in bold lines;

FIG. 2 is a perspective front view of my new exterior surface design of a pair of automobile doors; and,

FIG. 3 is a perspective rear view of my new exterior surface design of a pair of automobile doors.

The broken lines showing of the automobile's body is for illustrative purposes only, and forms no part of my claim design.
