[57] CLAIM

The ornamental design for an asymmetric handle for folding scissors, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an asymmetric handle for folding scissors showing my new design, the handle being shown as part of a pair of folding scissors wherein the broken line showing of the blades and pivot pins and another handle are for illustrative purposes only and form no part of the claimed design;
FIG. 2 is a top plan view of the asymmetric handle shown in FIG. 1 in solid line;
FIG. 3 is a left side elevational view of the handle shown in FIG. 2;
FIG. 4 is a bottom plan view thereof;
FIG. 5 is a right side elevational view thereof;
FIG. 6 is a front, or blade end elevational view thereof; and,
FIG. 7 is a rear end view thereof.
