(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the Patent and Trademark Office patent file or records, but reserves all other copyright rights whatsoever. The sole FIGURE is a front view of the display screen with graphical user interface.

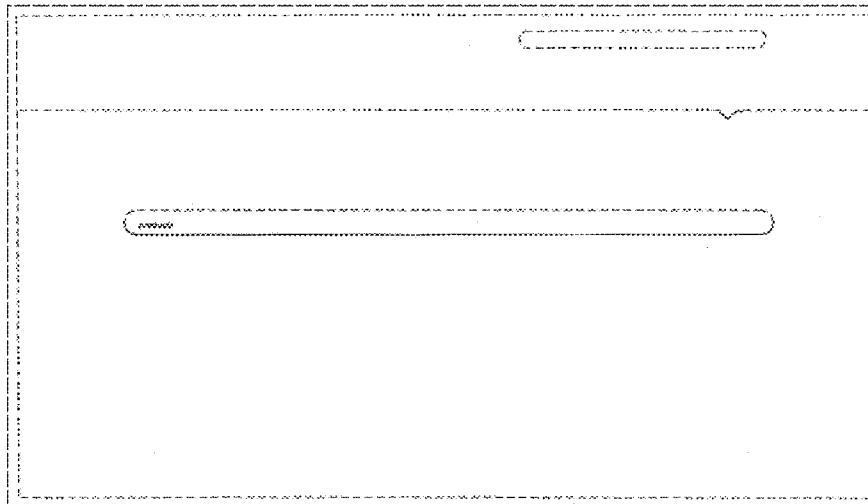

The evenly incremented broken lines with the shorter line segments shown in the sole FIGURE represent unclaimed features of the graphical user interface. The display screen shown in evenly incremented broken lines with longer line segments and the Copyright Notice form no part of the claimed design.
