Hans G. Stenger, Lambertville, Mich., and William E. Fillmore, Toledo, Ohio, assignors to Owens-Illinois Glass Company, Toledo, Ohio, a corporation of Ohio

Original Design Patent No. 189,996, dated Mar. 28, 1961, Ser. No. 61,420, July 19, 1960, for 14 years. Application for reissue June 5, 1961, Ser. No. 65,627
Term of patent 14 years
(Cl. D58—5)

Matter enclosed in heavy brackets [ ] appears in the original patent but forms no part of this reissue specification; matter printed in italics indicates the additions made by reissue.

FIG. 1 is a top plan view of a bottle showing our new design.

FIG. 2 is an elevational view thereof.

2

FIG. 3 is an elevational view with the bottle rotated 90° from the position shown in FIG. 2.

The side not shown is the same as the side shown and the front is plain.

[The drawing is shaded to show contrasting colored areas.]

The drawing is shaded to indicate curved and plane surfaces rather than any textural or color contrast.

We claim:

The ornamental design for a bottle, substantially as shown and described.
