CLAIM

The ornamental design for a freestanding modular display and divider wall, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view showing two side portions and the center portion of the freestanding modular display and divider wall:

FIG. 2 is a top plan view thereof;

FIG. 3 is a rear perspective view thereof, as seen from the opposite direction depicted in FIG. 1; and

FIG. 4 is a bottom plan view thereof.

The sides of the rearwardly-extending vertical panel are understood to be the same as the vertical panels shown in FIGS. 1 and 3.
