Claim

The ornamental design for a mouthpiece for a smoking article, as shown and described.

Description

FIG. 1 is a perspective view of a mouthpiece for a smoking article showing our new design.

FIG. 2 is a side elevational view thereof; and,

FIG. 3 is a right end elevational view thereof.

The broken lines seen within the petal shaped apertures in FIGS. 1 and 3 depict parts of the mouthpiece for a smoking article that form no part of the claimed design; while the remaining broken lines showing the smoking article depict environmental subject matter only and form no part of the claimed design.
