CLAIM

The ornamental design for arch support insoles, as shown and described:

DESCRIPTION

FIG. 1 is a perspective view of arch support insoles for use in right and left shoes, showing the top, a side and the front of our new design;
FIG. 2 is a perspective view showing the bottom, a side and the front of the insoles;
FIG. 3 is an elevational view from the front of the insole for the left shoe;
FIG. 4 is an elevational view from the back of the insole for the left shoe;
FIG. 5 is an elevational view from the right side of the insole for the left shoe;
FIG. 6 is an elevational view from the left side of the insole for the left shoe;
FIG. 7 is a top plan view of the insole for the left shoe; and,
FIG. 8 is a bottom plan view of the insole for the left shoe.
