Attorney, Agent, or Firm—Gregory E. Croft

[57] CLAIM

We claim the ornamental design for an embossed tissue, as shown and described.

DESCRIPTION

FIG. 1 is a plan view of an embossed tissue showing our new design. A unit of repeat is shown within the broken lines; and,

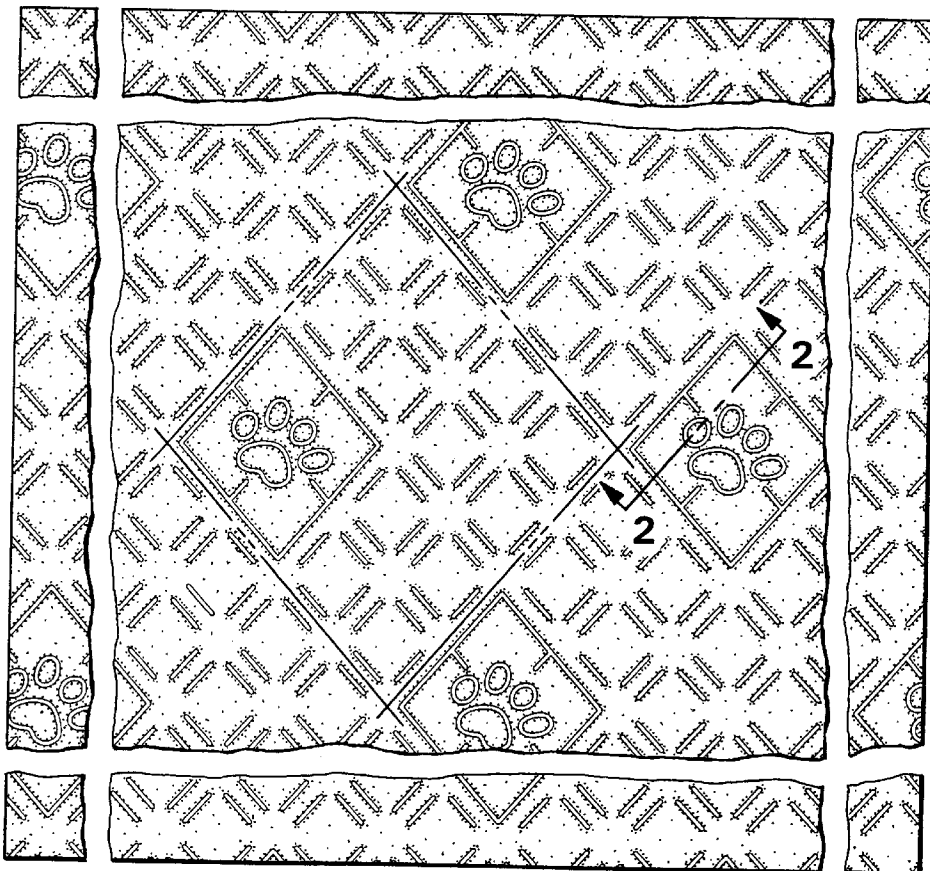

FIG. 2 is an enlarged fragmentary cross-sectional view along line 2—2 as shown in FIG. 1.

The side and bottom surfaces of the embossed tissue form no part of the claimed design.

The embossed tissue is shown cut away on each of its four sides to indicate indeterminate length and width. The broken lines in FIG. 1 form no part of the claimed design.
