(57) **CLAIM**

The ornamental design for a portion of a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a portion of a display screen with graphical user interface showing our new design. The broken line showing of a portion of the display screen is for the purpose of illustrating environmental structure and forms no part of the claimed design. The broken line showing the remainder of the image illustrates unclaimed portions of the design and forms no part thereof.
