[57] **CLAIM**

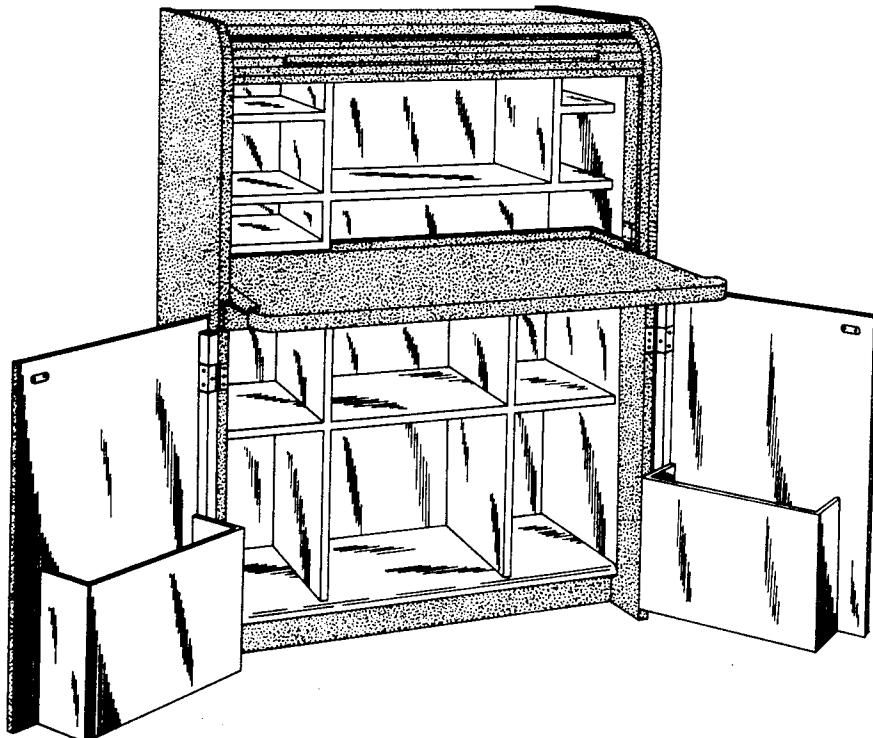

The ornamental design for a combined desk and cabinet unit, as shown and described.

## DESCRIPTION

FIG. 1 is a front top perspective view of the combined desk and cabinet unit embodying my novel design with the doors open and the desk extended; and

FIG. 2 is a top front perspective view from the opposite side with the doors closed and the desk retracted.

The drawing is stippled to indicate color contrasts. The inner surfaces not shown in FIG. 1 as well as the bottom and rear of the unit are all plain and unornamented.
