

Ar-229

Engraving of a Grand Horne

Design for Horne. Patent Aug. 7. 1849.

Engraving of a Grand Horne

J. G. Lamb & C. Harris, Cincinnati, Ohio.

Letters Patent No. 229. Dated August 7, 1849.

The Schedule referred to in these Letters Patent and making part of the same.

To all whom it may concern:

Be it known that

we Joseph G. Lamb and Conrad Harris, both of Cincinnati, Hamilton County, State of Ohio, have invented or produced a new and ornamental Design for Coal & Wood Parlor Stoves, and we do hereby declare that the following is a full and exact description of the same, and that the annexed Drawings marked Figures 1, 2, 3, & 4 are a correct representation of said Design. Figure 1. Is a front view of a complete Coal Stove. The Back is similar to the Front, except the ornament in centre of bottom, and the opening for a grate in the front plate being closed in the Back plate, as also in both front & Back of Wood Stoves. — Letters A, A, are Feet. B, perspective view of Bottom with an Ogee Border, with corner ornaments & ornaments in centre of Front. (shown more minutely in Figure 4 — Letters B, B) — Letters C, C, are raised scroll pilasters on which are raised vines — Letters D, D, a Raised Panel in centre of the plate with a caricature face & scroll work upon it. — Letter E, is a Tie in the centre over the raised panel with scroll ornaments branching outwardly. Letter F, front view

of Top. - Letter G, octagon base or urn Letter J, shell for a tie to the scroll pilasters at the bottom, Letter K, vine running from centre of plate, or tie to the outside of Base - Figure 2, is a surface view of the Top, Letters, AA, quarter round border, B, raised flat strip, CC, open with corner & centre ornaments as shown, DD, sunk panel EE, EE, raised panel with round centre & ends half round, FF, Rosettes -

Figure 3, is an end view of the stove, Letter A Bottom, B, Base to Body of stove, C, Raised pilasters with running vine on them tied in centre at bottom, D, Raised panel in centre with scroll work & flowers upon it as shown, E Tie over raised panel, F, Top.

Figure 4, is a surface view of a section of the Bottom Border showing a corner & centre ornament. -

What we claim as new and our invention & desire to secure by Letters patent, is the above described and represented ornamental Design for Coal & Wood Parlor Stoves -
