(57) **CLAIM**

The ornamental design for a display panel with graphical user interface, as shown and described.

DESCRIPTION

1. Display panel with graphical user interface
1.0 : Front
The outermost broken line illustrates a display panel and forms no part of the claimed design. The dot-dash broken lines in the reproduction represent boundaries of the claimed design and form no part thereof. All other broken lines in the reproduction depict portions of the graphical user interface that form no part of the claimed design.

1 Claim, 1 Drawing Sheet
