DESIGN FOR A JAR AND BOTTLE CAP REMOVER

Bertram H. Stewart, New York, N. Y.

Application November 29, 1945, Serial No. 124,172

Term of patent 14 years

(Cl. D44—29)

To all whom it may concern:

Be it known that I, Bertram H. Stewart, a citizen of the United States, residing at New York city, in the county of New York and State of New York, have invented a new, original, and ornamental Design for a Jar and Bottle Cap Remover, of which the following is a specification, reference being had to the accompanying drawings, forming part thereof.

In the drawing:

Fig. 1 is a side elevational view of a jar and bottle cap remover, showing my new design; the device being in its inoperative position;

Fig. 2 is a side elevational view of the device in its operative position;

Fig. 3 is a top plan view;

Fig. 4 is a bottom plan view; and

Fig. 5 is a front view.

I claim:

The ornamental design for a jar and bottle cap remover, substantially as shown.

BERTRAM H. STEWART.
