**CLAIM**

The ornamental design for a transitional icon for a portion of a display screen, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of the first image of a transitional icon for a portion of a display screen;

FIG. 2 is a front view of a second image thereof; and,

FIG. 3 is a front view of a third image thereof.

The broken line showing a portion of a display screen is for illustrative purposes only and forms no part of the claimed design.

The appearance of the image transitions sequentially between the images shown in FIGS. 1–3. The process or period in which an image transitions to another forms no part of the claimed design.
