CLAIM

The ornamental design for a portion of a display screen with a border having a frosted glass appearance, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a portion of a display screen showing our new design; and,
FIG. 2 is a front view of a second embodiment thereof.

The broken line drawings of the display screen on both views, and the two rectangular elements in FIG. 2 are for illustrative purposes only and form no part of the claimed design.
