CLAIM

The ornamental design for a power indicator for portable power charger with flashlight, as shown and described.

DESCRIPTION

FIG. 1 is a front, top, left-hand side perspective view of a new, original and ornamental design for a power indicator for portable power charger with flashlight, with the portable power charger with flashlight shown in broken lines;

FIG. 2 is a front view of the power indicator for portable power charger with flashlight of FIG. 1;

FIG. 3 is an enlarged view of a first embodiment of the new, original and ornamental design for the power indicator for portable power charger with flashlight; and,

FIG. 4 is an enlarged view of a second embodiment of the new, original and ornamental design for the power indicator for portable power charger with flashlight.

The broken line portion of the figure drawings is included to show unclaimed subject matter only and forms no part of the claimed design.
