UNITED STATES PATENT OFFICE.

WALTER VON NESSEN, OF NEW YORK, N. Y., ASSIGNOR TO EFCOLITE CORPORATION, A CORPORATION OF NEW YORK.

DESIGN FOR A CEILING LIGHTING FIXTURE.

Application filed January 12, 1928. Serial No. 24,837. Term of patent $3\frac{1}{2}$ years.

To all whom it may concern:

Be it known that I, WALTER VON NESSEN, a citizen of the German Republic, and a resident of New York, county of Bronx, and State of New York, have invented a new, original, and ornamental Design for a Ceiling Lighting Fixture, of which the following is a specification, reference being had to the accompanying drawing, forming a part hereof.

In the drawing:

Figure 1 is a side elevational view of the ceiling lighting fixture; and

Figure 2 is an inverted plan view of the same.

The lining of the drawing is for the purpose of indicating shading, the design being more especially intended for ceiling lighting fixtures having smooth surfaces.

I claim:

The ornamental design for a ceiling lighting fixture substantially as shown and described.

WALTER VON NESSEN.
