(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

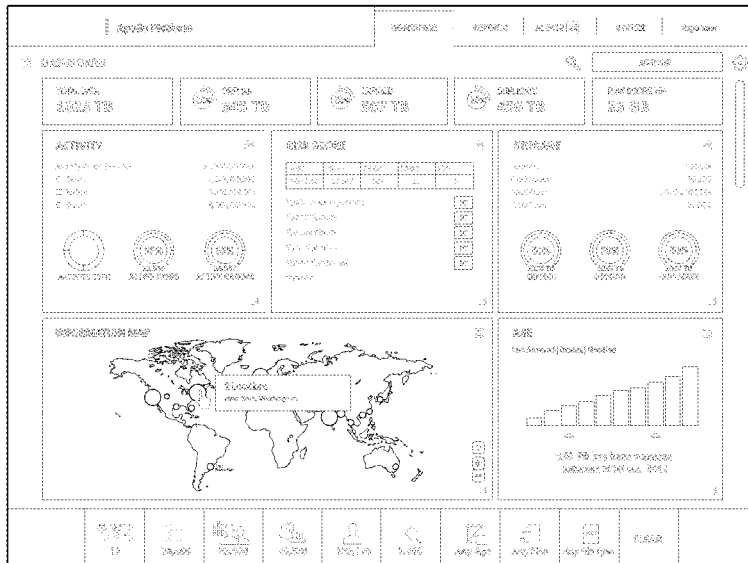

The FIGURE is a front view of a graphical user interface for a display screen showing the claimed design. The broken lines shown in this FIGURE are included for the purpose of illustrating portions of the article and form no part of the claimed design. The perimeters of the portion of the underlying portion of a display screen and the graphical user interface are understood to be flush.
