Specification for Design.

Patented Oct. 12, 1915.

Application filed August 17, 1914. Serial No. 857,270. Term of patent 3½ years.

To all whom it may concern:

Be it known that I, WILLIAM L. BRATTON, a citizen of the United States, residing at Brooklyn, in the county of Kings and State of New York, have invented a new, original, and ornamental Design for a Casing for Coin-Actuated Machines, of which the following is a specification, reference being had to the accompanying drawing, forming a part thereof.

In the drawing, Figure 1 is an elevation,

and Fig. 2 is a perspective view, of a casing for coin actuated machines, showing my new design.

I claim:

The ornamental design for a casing for coin actuated machines, as shown.

WILLIAM L. BRATTON.
