CLAIM
The ornamental design for a pump for a manure handling system or the like, as shown.

DESCRIPTION
FIG. 1 is a perspective view taken from the top, front and one side of a pump for a manure handling system or the like showing my new design;
FIG. 2 is a perspective view taken from the top, rear and side opposite that shown in FIG. 1;
FIG. 3 is a perspective view taken from the bottom, front and side shown in FIG. 1;
FIG. 4 is a perspective view taken from the top, front and one side of a modified form of the pump for a manure handling system or the like shown in FIG. 1;
FIG. 5 is a perspective view taken from the top, rear and side opposite that shown in FIG. 4; and
FIG. 6 is a perspective view taken from the bottom, front and side shown in FIG. 4.
