(54) Title: FOAMABLE VEHICLE COMPRISING POLYPROPYLENE GLYCOL ALKYL ETHER AND PHARMACEUTICAL COMPOSITIONS THEREOF

(57) Abstract: The present invention teaches a foamable pharmaceutical carrier comprising polypropylene glycol (PPG) alkyl ether, a surface-active agent water and a liquefied hydrocarbon gas propellant; and pharmaceutical compositions thereof. The present invention further teaches a foamable pharmaceutical carrier comprising polypropylene glycol (PPG) alkyl ether, a surface-active agent, and a liquefied hydrocarbon gas propellant; and pharmaceutical compositions thereof.

INTERNATIONAL SEARCH REPORT

This international search report has not been established in respect of certain claims under Article 17(2)(a) for the following reasons: 1. X Claims Nos:: 96-147-248-300 because they relate to subject matter not required to be searched by this Authority, namely: see FURTHER INFORMATION sheet PCT/ISA/210 2. Li Claims Nos:: because they rotate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically: 3. Claims Nos:: because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a). Box No. II Observations where unity of invention is lacking (Continuation of item 3 of first sheet) This international Searching Authority found multiple inventions in this international application, as follows: 1. As all required additional search fees were timely paid by the applicant, this international search report covers alterarchable claims. 2. As all searchable claims could be searched without effort justifying an additional fees, this Authority did not invite payment of additional fees. 3. As only some of the required additional search fees were timely paid by the applicant, this international search reportcovers only those claims for which fees were paid, specifically claims Nos: 1. No required additional search fees were timely paid by the applicant. This international search reportcovers only those claims for which fees were paid, specifically claims Nos: 1. The additional search fees were accompanied by the applicants protest and, where applicable, the payment of a protect less. 1. The additional search fees were accompanied by the applicants protest but the applicable protest but the applicable.	Box No. II Observations where certain claims were found unsearchable (Continuation of item 2 of first sheet)
see FURTHER INFORMATION sheet PCT/ISA/210 2.	This international search report has not been established in respect of certain claims under Article 17(2)(a) for the following reasons:
Claims Nos.: Decause they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically: Claims Nos.:	
because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically: 3.	see FURTHER INFORMATION sheet PCT/ISA/210
because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically: 3.	
because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically: 3.	2 1 Claims Nos
because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a). Box No. III Observations where unity of invention is lacking (Continuation of item 3 of first sheet) This International Searching Authority found multiple inventions in this international application, as follows: 1.	because they relate to parts of the international application that do not comply with the prescribed requirements to such
because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a). Box No. III Observations where unity of invention is lacking (Continuation of item 3 of first sheet) This International Searching Authority found multiple inventions in this international application, as follows: 1.	
because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a). Box No. III Observations where unity of invention is lacking (Continuation of item 3 of first sheet) This International Searching Authority found multiple inventions in this international application, as follows: 1.	
because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a). Box No. III Observations where unity of invention is lacking (Continuation of item 3 of first sheet) This International Searching Authority found multiple inventions in this international application, as follows: 1.	
This International Searching Authority found multiple inventions in this international application, as follows: 1.	
This International Searching Authority found multiple inventions in this international application, as follows: 1.	
1. As all required additional search fees were timely paid by the applicant, this international search report covers allsearchable claims. 2. As all searchable claims could be searched without effort justifying an additional fees, this Authority did not invite payment of additional fees. 3. As only some of the required additional search fees were timely paid by the applicant, this international search reportcovers only those claims for which fees were paid, specifically claims Nos.: 4. No required additional search fees were timely paid by trie applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claims Nos.: Remark on Protest 1. The additional search fees were accompanied by the applicant's protest and, where applicable, the '- 'payment of a protest fee. The additional search fees were accompanied by the applicant's protest but the applicable protest	Box No. III Observations where unity of invention is lacking (Continuation of item 3 of first sheet)
2. As all searchable claims could be searched without effort justifying an additional fees, this Authority did not invite payment of additional fees. 3.
