Specification for Design.

Patented July 4, 1916.

Application filed March 28, 1916. Serial No. 87,368. Term of patent $3\frac{1}{2}$ years.

To all whom it may concern:

Be it known that I, JOHN S. MONAGHAN, a citizen of the United States, and a resident of the city of Rochester, Monroe county, State of New York, have invented a new, original, and ornamental Design for Buttons, of which the following is a specification.

My design is represented in the accompanying drawing in which:

Figure 1 is a plan view of a button showing my new design. Fig. 2 is an end view. Fig. 3 is a side view.

The design is circular in shape and is

provided with a beveled edge inclined inwardly and upwardly and with corrugations on its upper face.

I claim:

The ornamental design for a button substantially as shown and described.

In witness whereof I have hereunto set my hand at Rochester, in the county of Monroe and State of New York, this 24th day of March, 1916.

JOHN S. MONAGHAN.
