(57) **CLAIM**

The ornamental design for a trash bag, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevation view of the trash bag showing my new design, the back view being identical; and, FIG. 2 is an enlarged detailed view of the encircled portion of FIG. 1, shown for ease of illustration. The broken lines of FIG. 1 merely indicate the upper and lower boundaries of the pattern of the trash bag; the area extending beyond these boundary lines are encompassed as part of the claimed design. The dot-dash lines show no specific length and form no part of the claimed design. The trash bag has no appreciable thickness.
