MICHAEL WERK, OF CINCINNATI, OHIO.

Design No. 3,258, dated November 17, 1868.

DESIGN FOR A TRADE-MARK.

The Schedule referred to in these Letters Patent and making part of the same.

To all whom it may concern:

Be it known that I, MICHAEL WERK, of Cincinnati, in the county of Hamilton, and State of Ohio, have invented a Design for a Label for Native Wines, which is correctly represented in the accompanying drawings, forming a part of this specification.

But I do not restrict myself to any particular external shape in my label; neither do I limit myself to the use of a border, or to any peculiarity in such border as I may use to surround or partially surround my design. In practice, it is intended to use more or less letter-press upon or in connection with the label, but

such letter-press admits of variation, and does not constitute a necessary part of my design.

I claim, and desire to secure by Letters Patent—

The design for a label, substantially as herein represented.

In testimony of which invention, I hereunto set my hand.

M. WERK.
