UNITED STATES PATENT OFFICE

124,294

DESIGN FOR A ROOF VENTILATOR

Freeland H. Leslie, Chicago, Ill.

Application July 31, 1940, Serial No. 94,062

Term of patent 14 years

To all whom it may concern:

Be it known that I, Freeland H. Leslie, a citizen of the United States and a resident of Chicago, in the county of Cook and State of Illinois, have invented a new, original, and ornamental Design for a Roof Ventilator, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

Figure 1 is a perspective view of a roof ventilator showing my new design; and

Figure 2 is a front elevational view thereof.

The dominant features of the design reside in the portions shown in full lines.

I claim:

The ornamental design for a roof ventilator, substantially as shown and described.

FREELAND H. LESLIE.
