(57) **CLAIM**

The ornamental design for a cosmetic product, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a cosmetic product, embodying our new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a front view thereof;

FIG. 4 is a back view thereof;

FIG. 5 is a side view thereof;

FIG. 6 is a perspective view of the second embodiment thereof;

FIG. 7 is a top plan view thereof;

FIG. 8 is a front view thereof;

FIG. 9 is a back view thereof; and,

FIG. 10 is a side view thereof.

The broken lines shown in the drawings are for illustrative purposes only and form no part of the claimed design. The broken lines around the boundary of the cosmetic product are to illustrate the environment, while the remaining broken lines illustrate the bounds of the claim. Top views and bottom views are identical; therefore bottom views have been omitted. The stippled and non-stippled portions that appear in the perspective views and the front views indicate a contrast in color.

1 Claim, 2 Drawing Sheets
