C. Harris and P. W. Joiner of Cincinnati Ohio
Letters Patent No. 2339 dated June 12. 1866
Design for a Coal Stove

The schedule referred to in these Letters Patent and making part of the same

To all whom it may concern.

Be it known that we Conrad Harris and Paul W. Joiner both of Cincinnati County of Hamilton State of Ohio, have invented a new and improved design for Coal Heating Stoves, to be known and called the "Scout" and we do hereby declare that the following is a full and exact description thereof, reference being had to the accompanying photographs and to letters of reference marked thereon. Letter A. showing a perspective view of the Stove —

What we claim as our invention and desire to secure by Letters Patent, is the design for a Coal Heating Stove, as shown and described —
