To all whom it may concern:

Be it known that I, Yukio Buma, a subject of the Emperor of Japan and a resident of the city, county, and State of New York, have invented a new, original, and ornamental Design for a Plate or Similar Article, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

The drawing is a plan view of a plate showing my new design, a repeat unit of which is contained between the dotted lines. Said unit is repeated about the circumference of the plate in the relation indicated by the extension of the detailed showing beyond the dotted lines.

I claim:

The ornamental design for a plate or similar article, as shown and described.

YUKIO BUMA.
