The ornamental design for a combined chin up and exercise bar, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the combined chin-up and exercise bar.

FIG. 2 is rear elevational view of the bar.

FIG. 3 is a front elevational view of the bar.

FIG. 4 is a left side elevational view of the bar.

FIG. 5 is a right side elevational view of the bar.

FIG. 6 is a top plan view of the bar.

FIG. 7 is a bottom plan view of the bar.

The broken lines in the drawings represent environmental elements of the combined chin up and exercise bar and form no part of the claimed design.
