CLAIM
The ornamental design for a single lumen catheter with a single threaded luer port as shown and described.

DESCRIPTION
FIG. 1 is a perspective view of a single lumen catheter with a single threaded luer port showing our new design;
FIG. 2 is a front end elevational view thereof;
FIG. 3 is a rear end elevational view thereof;
FIG. 4 is a top plan view thereof;
FIG. 5 is a side elevational view thereof, the other side being a mirror image; and,
FIG. 6 is a bottom plan view thereof.
