DESIGN FOR A TOILET CASE OR SIMILAR ARTICLE
Henri Bellau, Paris, France
Application June 7, 1938, Serial No. 77,654
In Great Britain December 11, 1937
Term of patent 3½ years

To all whom it may concern:

Be it known that I, Henri Bellau, a citizen of the Polish Republic, residing at Paris, in the Republic of France, have invented a new, original, and ornamental Design for a Toilet Case or Similar Article, of which the following is a specification, reference being made to the accompanying drawing, forming part thereof.

Fig. 1 is a perspective view of a toilet case or similar article embodying my new design in closed position; and

Fig. 2 is a perspective view thereof in open position.

The characteristic features of my design reside in the combination of the toilet case with the side arms a. The rear and other side of the case which are not seen are substantially plain and identical with the sides seen in the drawing.

I claim:

The ornamental design for a toilet case or similar article substantially as shown and described.
