(57) **CLAIM**

The ornamental design for a display screen or portion thereof with a graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with a graphical user interface showing my new design; FIG. 2 is a front view of a second embodiment thereof; and, FIG. 3 is a front view of a third embodiment thereof. The short-dashed broken lines represent elements of my design that form no part of the claimed design. The long-dashed broken lines around my design show the perimeter of a display screen or portion thereof which forms no part of the claimed design.
