(CLaim)

The ornamental design for a portion of a display panel or screen with icon, as shown and described.

DESCRIPTION

The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a portion of a display panel or screen with an icon showing my new design.

The dot-dash broken lines constituting a portion of a display panel or screen are boundaries of, but not included in the claimed design.
