(57) **CLAIM**

I claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing my new design. The broken line showing of selected graphical user interface features within the display screen or portion thereof with graphical user interface illustrates environmental subject matter only and forms no part of the claimed design. The broken line showing of the mobile terminal is for the purpose of illustrating environment and forms no part of the claimed design.
