[57] CLAIM

The ornamental design for a clamp-type electrical connector, as shown and described.

DESCRIPTION

FIG. 1 is a left front perspective view of a clamp-type electrical connector showing my new design; FIG. 2 is a top plan view thereof, the electrical conductors being shown in broken lines for illustration purposes only; FIG. 3 is a front elevation view thereof; FIG. 4 is a rear elevation view thereof; FIG. 5 is a left side elevational view thereof; and FIG. 6 is a top perspective view of the bottom half of the connection, the bolt and top half being omitted for purposes of disclosure, the top half being similar to the bottom half.
