(57) CLAIM

The ornamental design for a combined holder for store value card and notepad, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the combined holder for store value card and notepad shown with its front cover in the closed position. FIG. 2 is a rear perspective view of the combined holder for store value card and notepad shown with its front cover in the closed position. FIG. 3 is a front view of the combined holder for store value card and notepad. FIG. 4 is a rear view of the combined holder for store value card and notepad. FIG. 5 is a left side view of the combined holder for store value card and notepad, the right side view being a mirror image thereof. FIG. 6 is a top view of the combined holder for store value card and notepad. FIG. 7 is a bottom view of the combined holder for store value card and notepad. FIG. 8 is a perspective view of the combined holder for store value card and notepad shown with its front cover in an open position to reveal a releaseable attachment mechanism for a stored value card and notepad; and, FIG. 9 is another perspective view of the combined holder for store value card and notepad shown with its front cover in the closed position and its stem inserted in a flower arrangement. The dashed lines showing in the figures are included for the purpose of illustrating portions of the combined holder for store value card and notepad that form no part of the claimed design.
