The ornamental design for the rear, top, bottom, left and right surfaces of an armrest control lever for use with a motor vehicle transmission or the like.

DESCRIPTION

FIG. 1 is a right side elevational view of the rear, top, bottom, left and right surfaces of an armrest control lever for use with a motor vehicle transmission or the like embodying my new design, the right side being a mirror image:

FIG. 2 is a left side perspective view taken from the rear thereof; and

FIG. 3 is a top plan view thereof.

The bottom is unornamented.
