## DESIGN FOR A BOTTLE

Elizabeth N. Graham, New York, N. Y.

Application August 3, 1945, Serial No. 121,201

Term of patent 14 years

(Cl. D58—6)

To all whom it may concern:

Be it known that I, Elizabeth N. Graham, a citizen of the United States of America, residing in New York city, county of New York, and State of New York, have invented a new, original, and ornamental Design for a Bottle, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof, wherein

Figure 1 is a front elevational view of a bottle showing my new design,

Figure 2 is a side elevational view, and  
Figure 3 is a front perspective view of the bottle shown in Figures 1 and 2.

The rear of the bottle is substantially the same in appearance as the front shown.

I claim:

The ornamental design for a bottle, substantially as shown and described.

ELIZABETH N. GRAHAM.
