**CLAIM**

I claim the ornamental design for a rope securing device, as shown and described.

---

**DESCRIPTION**

FIG. 1 is a top perspective view of a rope securing device showing my new design;

FIG. 2 is a bottom perspective view thereof;

FIG. 3 is a front elevation view thereof, the rear and side elevational views being identical to the front elevation view;

FIG. 4 is a top plan view thereof, the bottom plan view being identical to the top plan view; and,

FIG. 5 is a top perspective view of the design as shown in FIG. 1 with rope rendered in broken line secured therewith. The rope shown in broken line is included to show the design in a condition of use and forms no part of the claimed design.

In the drawings, the stippling is for shading purposes only and forms no part of the claimed design.
