DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

- 1. Tire
- 1.1 : Front
- 1.2 : Left
- 1.3 : Perspective
- 1.4 : Enlarged

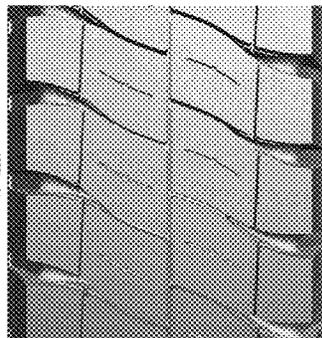

The rear view is the same as the front view after being rotated 180 degrees clockwise, so the rear view is omitted; the left view and the right view are in a mirror image relationship with respect to the vertical direction, so the right view is omitted; the top and bottom views are the same as the front view so the top and bottom views are omitted; the box with the indication “A” shown in reproduction 1.1 is an enlarged view of the tire shown in reproduction 1.4.
