DESCRIPTION

See application file for complete search history.

FIG. 1 is a front view of a display screen or portion thereof with animated graphical user interface showing a first image of my new design.

FIG. 2 is a second image thereof

FIG. 3 is a third image thereof

FIG. 4 is a fourth image thereof.

FIG. 5 is a fifth image thereof; and,

FIG. 6 is a sixth image thereof.

The appearance of the animated graphical user interface sequentially transitions between the images shown in FIGS.

1, 2, 3, 4, 5, and 6. The process or period in which one image transitions to another forms no part of the claimed design.

The outer broken lines in the figures show a display screen or portion thereof and form no part of the claimed design.

The other broken lines in the figures show portions of the animated graphical user interface that form no part of the claimed design.
